To date, the event has raised almost $845,000 to help build a local volunteer services infrastructure and to help people access the services they need in this community, including:

- Management and administrative support of the **NORTHERN NEW JERSEY BUSINESS VOLUNTEER COUNCIL**, a coalition of businesses whose employees help meet critical needs of low-income children and families;
- Publication of the **GUIDE TO VOLUNTEERING**, a handbook of volunteer opportunities published annually and distributed to individuals, businesses, schools, communities of faith and civic clubs;
- Maintenance of a searchable **VOLUNTEER OPPORTUNITY DATABASE** at www.bergenvolunteers.org.
- Support to sustain **2-1-1**, United Way's statewide, 24-hour help line and community resource website at www.nj211.org for people living and working in this community;

AND

- Increased resources for **THE COMPASSION FUND**, providing direct financial assistance to local families and individuals in need.
